EXCEPTIONAL PEOPLE, EXCEPTIONAL MEDICINE

The waters of Lake Michigan reflect a myriad of constantly changing moods...placid and serene at times...angry and defiant at others. The beauty and the wonder of the Lake continue to captivate the imaginations of those who live, work, and play by its shores.

A great lake deserves a great healthcare provider – one with a mission of healing and hope that sends waves that ripple throughout the communities that hug the golden dunes and beyond.

For more than 100 years, Saint Anthony Memorial has been a treasured part of the landscape in this awe-inspiring region. Founded in 1903 to answer a community's call, it is a symbol of health and wellness, representing hope, compassion, and healing.

From life's minor miracles to major medical challenges, individuals choose Saint Anthony Memorial for its quality care, technology and commitment to the community. There, they find an integrated healthcare network of exceptional people providing exceptional medicine in an exceptional healthcare facility.
